

CERTIFICATE OF AUTHENTICITY

Certificate No. **PP2308PT0000031**

This certificate confirms the authenticity of a jewellery piece based on the application of Provenance Proof™ Physical Tracers. The Physical Tracers are one of the technologies developed under the Provenance Proof label, and the technology has been applied to the following jewellery piece:

Weight:	16.90 ct
Shape:	facetted
<p>The Provenance Proof hereby confirms that a paternity test has been successfully conducted on the jewellery piece described above. The patented Physical Tracers comprise DNA-based nanoparticles containing customized information on the manufacturer, manufacture location, manufacture year.</p> <p>They confirm it to be a jewellery piece manufactured by Example Jeweller. These nanoparticles have been attached to the jewellery piece, enabling retrieval and decoding at any stage along the supply chain hence providing an independent proof of the authenticity of this jewellery piece.</p>	
Manufacturer:	Example Jeweller
Manufacture Location:	Lucerne, Switzerland
Manufacture Year:	2022
Year of Application:	2023
Place of Tagging:	Lucerne, Switzerland

Lucerne, Switzerland
22 August 2023
